PRINCIPAL'S CORNER

Dear Families,

A favorite part of my job is ensuring that each student is getting what they need. This week, all teachers will meet in grade level teams to discuss the best ways to meet each child's needs this year. We will discuss how our core instructional program may need to be supplemented with intervention programs for some students.

Another favorite area of my job is putting the pieces together for the ongoing professional growth of our staff. In education, things are always changing. We get new and unique students each year and educational research often informs new and, hopefully, more effective curricula. During our most recent early release, our staff collaborated to plan units using our new inquiry-based Amplify Science program. Our teachers are learning how to teach science concepts through real life engaging problems such as *"What happens to the bacteria population after a course of antibiotics?"* (6th grade) and *"How does a train raise up over a magnetic track?"* (3rd grade.) Teachers are refining their methods for engaging students in rich discussion around science phenomena. Please ask your child what they are figuring out in science this month.

Teachers are gearing up for conferences during the week of October 21st – 25th. Our goal is to have 100% of families attend a conference, so that we can have two-way communication about strengths and areas of growth. Students clearly benefit when we partner with each other.

We love knowing that our students get lots of active play after school. Families are welcome to use our playground or field areas that are not being used by after school programs with building-use agreements. For example when *Move 60* or *Right at School* are on a section of the playground, that area is closed to the public for the safety of those students. Supervised children are welcomed to be on other areas of the playground any time after 3:30PM. Please reach out to the office with questions you may have on this, or any other topics.

In Partnership,

Melissa Somoza

HILLTOP HAPPENINGS

The fall book fair opens on Monday, October 21, and continues throughout parent conference week. Everyone is excited to get a look at the amazing selection of books being offered. You will find some of the latest and greatest titles for kids, as well as books of interest to parents. You can also contribute books to your child's classroom library. And every purchase made on site or through the online fair helps us build our school library collection.

Parents are welcome to shop immediately after school, before or after a conference, and during the Carnival on Friday from 6-9 PM. Parent shopping continues until 3:45 on Monday, Wednesday, and Thursday. On Tuesday, we will be open all the way until 6:30. On Friday, we will close at 12:45, before reopening for the Carnival.

Remember that the fair is the place to spend any Husky Bucks earned from the PTSA Fun Run. Cash, cards, and checks are also accepted.

Please note that the convenient [new eWallet system](#) allows students to make purchases up to a dollar limit that you set. The cost is charged to your credit card, but you don't have to send them to school with cash. See the link above.

Looking forward to seeing you for an exciting week!
Mr. Garrard

Do you often have too much candy after Halloween and don't know what to do with it?

How about donating unwanted Halloween candy to **Hilltop's 4th Annual Candy for a Cause to support Seattle Cancer Care Alliance (SCCA)**

SCCA treats patients undergoing chemotherapy and their caregivers in so many ways. One thing they do is collect Halloween candy, as chocolate and hard candies helps alleviate patients of the dry and metallic taste that is common after chemo treatments.

If you are interested in cleaning your house of Halloween candy, please **bring it to the office by Thursday, November 7th in a bag marked SCCA.**

The Carnival is Coming!

You can wear
COSTUMES!

Save the date and don't be late for the Fall Carnival on October 25 from 6pm - 9pm. Music, food, fun, games and of course our annual costume contest with PRIZES.

A Note About Costumes from the Principal

As we approach Halloween, we want to remind families that students do not wear costumes to school at Hilltop. Classes maintain our instructional program on October 31st, often with some extra engaging activities to keep kids focused on learning.

If students want to wear costumes at Hilltop, they can wear costumes at the PTSA Carnival on October 25th. Costumes should be non-violent, school-appropriate, and not too scary for our youngest family members. No masks please, so we can see each person's face. Coincidentally, we also have a Student Council- sponsored pajama day on October 25th. Lots of fall fun!

**PLEASE
VOLUNTEER!**

This year, we are asking classes to help staff specific game booths, and the list of the booth assignments will be below. To Volunteer, go to <https://tinyurl.com/HTECarnival2019>
